GOONAWARRA GOLF CLUB USE OF
PROGRAMME BOOK

This book is published for existing and future members. It details how, when, and sometimes why things happen in the day to day running of the club.

Please take time out to read it. Many of your questions will be answered and the knowledge gained will help you to become a better member of the club.

ABOUT YOUR CLUB

Established in 1980, the Goonawarra Golf Club is a limited liability company, one of the youngest in the metropolitan area, a member of Golf Victoria, a Member of the North West Region Golf Association, and the Ladies North West District Pennant Association. The Club has the use of Clubhouse facilities and access to the Goonawarra Golf Course under conditions laid down in the Land (Goonawarra Golf Course) Act 1988. The following is a simplified explanation of the rights of Club Members under the Act.

- The Club Leases an area described as the Clubhouse and its immediate surrounds. The lease is for an initial five year period and provides options for renewal until the year 2058.
- Club Members have exclusive use of the course. The times of this exclusive use must be negotiated with the course owner (presently the City of Hume) or, if not agreed to, determined by the Minister responsible for the Act.
- The Act Specifies the rights and responsibilities of the Club, the City of Hume, their respective roles and the relationship between them.

The Goonawarra Golf Club Ltd. has a maintenance lease agreement with the City of Hume for the management & operation of the golf course, which commenced on the 7th January 2002. The original lease was for a period of 5 years with an option to renew for a further 5 years. In 2021 the club began negotiations for a new 10-year agreement.

GREEN FEE PLAYERS

At some stage we were all green fee players. Now that we are Club Members we should have some understanding towards breaches of Etiquette and the Rules of Golf by these players. Green fee players have specific times of play and a right to the use of the course in these times. Conduct not considered to be in keeping with normal expected standards should be reported to the Golf Shop staff or the General Manager. Remember our own humble beginnings and that all green fee players are prospective members.

LIQUOR LICENCE

The Goonawarra Golf Club presently holds a “full club licence” and a “limited licence”. Specific regulations apply to the serving of alcohol at the club, please read the licences located above the bar for a full list of conditions. All staff that serve alcohol at the Goonawarra Golf Club are RSA qualified and have been instructed and trained in accordance with our licence conditions.

POSITION OF PLAY

SLOW PLAY

With the large number of players to be accommodated on the course it is imperative that slow play does not impede the field. The Match Committee is concerned about the effect that slow play has on the enjoyment of other Members. Penalties will apply to those members that do not adhere to BOTH of the below standards

- A MAXIMUM time of 4 hours 15 minutes for normal rounds and 4 hours 30 minutes for Stroke / Medal rounds
- Groups MUST complete their rounds within 10 minutes of the group ahead
