About Us

We are excited to showcasing our club sponsors to work together and promote how locals supporting locals significantly grow our respective businesses.

Goonawarra Golf Club has recently passed through the 940member milestone mark, and we continue to grow more each week. **This is a 20% year on year increase** and one that is exceeding the average, which is in Victoris is 3.1%. With **green fee players exceeding 30,000** we are a club and course with high demand and visibility.

Goonawarra Golf Club made a deliberate decision to work on building our club through targeted programs that include **local primary schools (5), Secondary Schools (1), All Abilities Programs , Australian Golf Foundation Girls Scholarship Program and our ongoing efforts to make golf welcoming all.** We are very proud to have recently been accepted as signatories to the R&A Women in Golf Charter, reflecting our inclusive approach to women in all layers of golf: playing, employment and Board/Sub-Committees.

We further invest in the development of course facilities and will soon tick off on **2 Golf Simulators being constructed.**

All these significant elements are only possible with great support for our members, visitors and Corporate Partners. Goonawarra Golf Club and our sponsors are a vital part of the future and fruitfulness. Please join us and support local businesses that support your club.
